

# WARNING!

Before using your SRS with Decagon's Em50 series dataloggers, be sure that you are using the latest firmware and software updates. The latest updates for loggers and software can be found by visiting the following websites:

***Em50 firmware ver. 2.14 or greater***

<http://www.decagon.com/support/em50-firmware-updater/>

***ECH2O Utility ver. 1.68 or greater***

<http://www.decagon.com/support/ech2o-utility-download/>

***DataTrac ver. 3.8 or greater***

<http://www.decagon.com/dt3>

For installation assistance or technical questions, please contact your Decagon customer support team.
